

HEALTH, SAFETY AND ENVIRONMENTAL POLICY

Our Goals

- Protecting and maintaining the health and safety of all employees, sub-contractors, suppliers and customers
- Protection of the environment in which we work, leaving a negligible “footprint”
- Protection of our assets
- Meet requirements mutually agreed to with those we serve in industry

In Achieving Our Goals We Endeavour To

- Promote HSE Policy communication and education throughout our company
- Comply with all laws and good Corporate Governance applicable to Health, Safety and Environment
- Continuous improvement of our Health, Safety and Environmental systems
- Ensure Customer and Employee satisfaction with our services, through dynamic and approachable leadership
- Ensure implementation of Health, Safety and Environmental system guidelines specified within our organization or externally within customer environments
- Develop mutually acceptable and workable Health, Safety and Environmental systems from project to project
- Identify and respond to critical activities, with the view to reducing risk and impact within reasonably practicable limits
- Cooperate fully with our customers, employees, the community and relevant authorities in the process of addressing Health, Safety and Environmental requirements
